

HEALTH AND SAFETY POLICY

STATEMENT OF INTENT

The Harbour Schools Partnership [THSP] recognises its overall responsibility for the health, safety and welfare of all employees, pupils and others who may be affected by using its academy premises or participating in academy sponsored activities.

The promotion of health and safety is critical to support our aim “to provide a safe and healthy working and learning environment for pupils, staff and visitors”. We shall, in so far as is reasonably practicable, comply with the requirements of the Health and Safety at Work Act 1974 and all statutory provisions associated with it and support staff in meeting their obligations under the Act.

The competent person for academies within THSP is Devon County Council.

THSP reviews its Health & Safety Policy annually and distributes to each academy to be updated for their setting.

The Health & Safety Policy for each academy can be found on their website or published in the academy’s Staff Hub area.
